# LPDES GENERAL PERMITS

The **ENVIROSCHOOL** program provides training for communities, businesses, and other organizations on many regulatory topics. The goal of this program is for attendees to become informed about the environmental regulatory process and to maintain and improve environmental compliance. Please join us for our next session **LPDES GENERAL PERMITS**. This session will give you an understanding of water discharge general applicability, outfall schedules, and how the effluent limits and requirements are derived. This session will also include a basic overview of stormwater general permits and requirements and a preview of several new general permits. **PLEASE REGISTER FOR ONE OF THE SESSIONS BELOW** or online at [www.deq.louisiana.gov/enviroschool](http://www.deq.louisiana.gov/enviroschool).
